## Convenience

R & S United Health Services is pleased to offer secure and flexible payment options for our patients. Our goal is to make this process as simple and convenient as possible. We offer assistance before, during or after medical visit. There are multiple ways to pay lab work and physician bills. Speak with one of our representatives for more info.

## Need assistance with your healthcare bill?

R & S United Health Services is pleased to provide you with our True Blue patient-friendly payment option and automated monthly plans.

### TrueBlue Payment Plan

R & S United Health Services is now offering a loan program called True Blue care plan. It provides patients with an affordable option to pay their out-of-pocket expenses over an extended period.

#### Low monthly payments

- No annual fees or prepayment penalties
- TrueBlue Care doesn't impact your credit
- Making a payment is simple - 24 hours a day, seven days a week
- Pay by check, debit or credit card, via mail, phone or online

#### We make it simple

- Easy qualification and no written application
- We combine your bills into a single, easily understood, monthly statement
- Keep the family's medical bills simple - it's easy to add balances owed by your spouse and dependents

## Automated monthly payments

Interested in an automated payment plan?

We offer monthly payment arrangements for up to 12 months.

- With equal monthly payments
- Requires a minimum payment of \$50 or 1/10 of the balance, whichever is greater

## Your Experience Matters

Our TrueBlue Care Plan is committed to treating you with honesty, fairness and compassion. We make it easy for you to "clear" your financial balance.
